Hello Beautiful Dancers and Friends,

It is with great sadness I send this email.

Mum has been battling cancer for almost 6 years, and on Saturday morning under a pink and orange daybreak, with a plump moon floating in the sky, my Mum, my best friend's spirit soared to the angels amidst a choir of birdsong. The angels called for her to dance for them.. Keep her beauty and her love in your hearts. Her spirit remains with us in our laughter and our tears.

Mum's sanctuary was The Palace, and the dance, and sharing both with you all meant so much to her. It gave her great joy. It was her soul's food.

We will be having a service for Mum at 11am on Monday September 6th at the Buderim Crematorium, Mooloolaba Rd, Buderim, and an after party at The Palace straight afterwards. You are very welcome to attend. It will be bright and vibrant just like our beautiful Daphne. Please find the details attached.

With love and warmest regards,
Kiley
